

Planning Guidance Letter 98-01
Engineer Regulation(ER) 1105-2-100 Chapters 4, 5 and 6 Revision

CECW-PD (22 October 1997)

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Planning Guidance Letter 98-01, Engineer Regulation (ER) 1105-2-100 Chapters 4, 5 and 6 Revisions.

1. Purpose. This planning guidance letter transmits revised guidance replacing Chapters 4 through 6, ER 1105-2-100 and will be used as interim guidance for all Civil Works studies and projects. These documents are also available on the Corps home page.

2. Applicability. This planning guidance letter applies to all HQUSACE elements, major subordinate commands and district commands having Civil Works responsibilities..

3. Schedule. The following schedule provides the release date for Chapters 1, 2 and 7 of ER1105-2-100. Please note EC 1105-2-211 has previously provided interim guidance replacing Section I through III and Appendix I of Chapter 3.

Chapter 1: 30 November 1997

Chapter 2: 30 November 1997

Chapter 7: 15 March 1998

Appendices (Remaining): 15 March 1998

4. Action Required. The attachments of this PGL should be used as interim guidance pending publication of the final ER. Any comments regarding improvements and/or clarifications during this interim period are to be submitted to HQUSACE (CECW-PD), Washington, DC 20314-1000.

FOR THE COMMANDER:

(Signed) G. EDWARD DICKEY, Chief, Planning Division, Directorate of Civil Works

3 Encls

1. Chapter 4, ER 1105-2-100

2. Chapter 5, ER 1105-2-100

3. Chapter 6, ER 1105-2-100
