

**Planning Guidance Letter 98-05
Engineer Regulation(ER) 1105-2-100, Appendix O Revised**

CECW-PD (10 March 1998)

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Planning Guidance Letter 98-05, Engineer Regulation (ER) 1105-2-100, [Appendix O](#) Revised.

1. Purpose. This planning guidance letter transmits revised guidance replacing Appendix O of ER 1105-2-100, Instructions for Conducting Issue Resolution Conferences/In-Progress Reviews for Feasibility and Post Authorizations Studies and Reports, and will be used as interim guidance for all Civil Works studies and projects. This document is also available on the Corps homepage.
2. Applicability. This planning guidance letter applies to all HQUSACE elements, major subordinate commands and district commands having Civil Works responsibilities.
3. Action Required. The attachment of this PGL should be used as interim guidance pending publication of the final ER. Any comments regarding improvements and/or clarifications during this interim period are to be submitted to HQUSACE (CECW-PD), Washington, DC 20314-1000.

FOR THE COMMANDER:

(Signed) STEVEN L. STOCKTON, P.E., Acting Chief, Planning Division,
Directorate of Civil Works
