

Biography

Department of the Army

Steven L. Stockton, P.E.

Director of Civil Works
Headquarters, U.S. Army Corps of Engineers
Washington, D.C.

Steven L. Stockton serves as the Director of Civil Works, Headquarters, U.S. Army Corps of Engineers, Washington, D.C. In this position under the policy guidance of the Chief of Engineers and the Assistant Secretary of the Army (Civil Works), leads, manage and directs the policy development, programming, planning, design, construction, contingency and emergency response, operation, and maintenance activities of the Army Civil Works Program, a \$10 billion annual program of water and related land resources of the United States and oversees the work of over 25,000 civilian employees. He serves as Governor on the World Water Council Board of Governors, represents the USACE in the United Nation's Advisory Board High-Experts and Leaders Panel on Water and Disasters, and serves in several national and international water resources Committees.

Mr. Stockton was selected to the Senior Executive Service in January 1996. From August 1998 thru May 2005, he served as the Director, Engineering and Technical Services; Director, Programs Management; and Director, Regional Business; for the U.S. Army Corps of Engineers, South Pacific Division in San Francisco, California. From May until November 2004, Mr. Stockton was the Director, Business Management, U.S. Army Corps of Engineer, Gulf Region Division in Baghdad, Iraq. From his selection in January 1996 thru July 1998, Mr. Stockton was the Chief, Engineering Division, Civil Works Directorate, Headquarters, U.S. Army Corps of Engineers, Washington, D.C.
