SUBJECT: Implementation Guidance for Sections of the Water Resources Development Act of 2007 Relating to the Continuing Authorities Program (CAP) Program and Per-Project Limits

c. Implementation Guidance on Increased Per-Project Limits:

(1) The increased per-project limits only apply to section 107 and section 14 projects that do not have an executed PPA as of 7 November 2007. Therefore, existing PPAs executed on or before 7 November 2007 will not be amended to raise these limits.

(2) Existing PPAs for section 107 and section 14 projects executed on or after 8 November 2007, should be amended to reflect the increased per-project limits. The MSC Commander is authorized to approve amendments drafted using the enclosed samples. Division Counsel review of any such amendment and a Division Counsel recommendation to approve such amendment is required prior to approval by the MSC Commander. The District Commander is authorized to execute the amendment after notification of its approval.

(3) Until the CAP FCSA and section 14 PPA models are updated, incorporating the increased per-project limits specified above into a future FCSA or PPA is not considered a deviation from the approved model. The draft section 107 model will be updated by HQUSACE accordingly. Processing of Section 107 PPAs should continue to follow procedures outlined in paragraph F-12.b(2) of Appendix F of ER 1105-2-100.

2. (Example: If two previously executed amendments – this should be amendment 3)

4. MULTIPLE SPONSORS. If the original executed agreement had multiple sponsors identified in the first paragraph and on the signature page, all the entities identified as sponsors should sign the amendment. The changes below are required for an amendment with multiple sponsors. These changes are not considered deviations from this sample.

A. Modify title and first paragraph to include name of each entity serving as a sponsor – as in original executed agreement.

B. Change “Non-Federal Sponsor” to “Non-Federal Sponsors” throughout the amendment.

End 2

and should be preceded by “the” or “its”, as appropriate, to match the title of the sponsor’s representative. (Example: the Mayor)

7. FIRST WHEREAS CLAUSE.

A. If the first line of the title of the original executed agreement was “Project Cooperation Agreement”, replace “Project Partnership Agreement” with “Project Cooperation Agreement”. This change is not considered a deviation from this sample.

B. The civilian format for the date should be used. (Example: January 22, 2004)

8. WHEREAS CLAUSE ADDRESSING PRIOR AMENDMENTS.

Delete, in its entirety, the option not used.

B. Verify the location of the language in your PPA which is to be amended. Other clauses specific to your project could alter its location slightly. C. Before signature by the Government representative, ensure that the sponsor signs and dates a minimum of four copies of the amendment, and Certification Regarding Lobbying, and that the Certificates of Authority are signed and dated by the appropriate people. The date on the first page should be filled in by the Government representative signing the amendment, not the sponsor.
